## Service Manager - Clinical

### The department/team

MSI-UK  
Treatment Centre Structure  
2023

### The role

Reporting to the General Manager (or Clinical Services Matron in Large Regions), the Service Manager-Clinical will be responsible for providing leadership to their Treatment Centre Clinical team to ensure that the Clinical priorities in their centre(s) are aligned to the overall organisational priorities and are delivered through a clear focus on safety, client experience & sustainability.

The role will lead Clinical Teams to provide the best possible experience for our clients through nurturing a culture of continuous improvement that promotes excellence in clinical practise and care. The Service Manager-Clinical will lead the clinical teams to ensure quality, standards and assurance requirements are met and role model their expertise in clinical practise, Client care, openness and professionalism.

Close and effective working relationships with the Service Manager-Operations, Clinical Services Matrons (in Large Regions) and General Manager will be essential in being successful in this role.

The role will require successful appointment to be the deputy CQC Registered Manager in Small and Medium Regions.
