About MSI Reproductive Choices	
<p>Only when choice is a reality for each of us, can we create a better, more equal world for everyone. Here at MSI Reproductive Choices UK we are proud to be a social enterprise that is changing the world for the better, we reinvest and donate our profits towards creating a positive social change across 37 countries globally.</p> <p>As one of the world's leading providers of sexual and reproductive healthcare our aim is simple: to empower clients to make the reproductive choices that are right for them. That is what we mean by client-centred care.</p> <p>At MSI Reproductive Choices UK our client-centred care philosophy means respecting our clients as active partners in their own service, caring about who our clients are, their experiences, and how they feel before, during and after they access care with us.</p>	
The department/team	
<p>MSI Reproductive Choices is a reproductive health charity, best known for its abortion services which help up to 70,000 women a year. Our network of welcoming clinics and local community services, together with a 24-hour confidential helpline work, provide high quality, safe, accessible and compassionate advice, care and support for the women and men who need our services. 95% of our services are commissioned by the NHS. The remaining 5% are self-funding or supported by use of charitable funds.</p> <p>We're looking for people who share our drive to provide the best quality care to everyone who needs our services to join our committed teams of clinical, management and support staff.</p>

Job Description: Clinical Services Matron

The role

As a respected professional and experienced clinician, the post holder will lead by example, motivate and empower other staff and ensure high standards of care are set and delivered. Specifically, the Clinical Services Matron (CSM) CSM will ensure that:

- Excellence in clinical practice and care is promoted across all services provided by MSIUK
- Clients are cared for in a safe, clean environment
- They promote excellence in client experience ensuring clients are treated with dignity and respect
- They provide strong clinical leadership and management of the designated centre

The Clinical Services Matron (CSM) will make a proactive contribution to planning for and improving future services within the centre and take an active lead in service transformation. This role will operate within the clinical quality governance framework of MSI and will work collaboratively with the multidisciplinary team in the Centre in the interests of developing and promoting high quality patient care

The post holder within their designated Centre will work with the Head of Clinical Services to:

- ▮ Lead the quality and standards of care agenda, particularly providing assurance around compliance with regulatory and internal standards of care.
- ▮ Ensure effective processes are in place in the designated Centre and that client flow enhances the quality of client care, experience and outcomes
- ▮ Be responsible for leading the Centre team, co-ordinating the delivery of client care within the clinical environment.
- ▮ Through clinical leadership, knowledge of MSI's core values and utilisation of effective management skills will ensure that the Centre team is informed, trained and developed to enable high quality care to be delivered to clients. This will be achieved through appropriate deployment and supervision of all clinical staff, as well as practice and professional development.
- ▮ Ensure a positive culture of clinical excellence, openness, professionalism, continuous improvement and high-quality care is embedded and promoted within all clinical staffing groups.
- ▮ Be the Centre lead expert on all issues relating to clinical practice, providing guidance on clinical and policy issues
- ▮ Act as a visible role model providing positive, professional and accountable leadership to clinical staff at the Centre
- ▮ Support the Centre's operational performance including delivery of all performance targets and KPIS within their sphere of responsibility
- ▮ Fulfil the role of line manager for direct reports

Key Responsibilities

- Lead and champion the clinical priorities and establish performance monitoring and reporting arrangements to demonstrate progress within the Centre.
- Lead and provide professional leadership within the Centre agreeing objectives
- Ensure that the professional contribution of all staff within the Centre are firmly aligned to the achievement of the Region wide objectives.
- Ensure the implementation of the Centre's governance and risk management strategies.
 - Ensure the Centre maintains compliance via effective outcomes and governance in respect of external regulation such as the Care Quality Commission.

Clinical and Professional Leadership

- Ensure the operational day to day activities of the Centre are managed effectively
- Provide reports and recommendations to the Head of Clinical Services on Client Quality in the Centre
- Have overall responsibility and accountability for standards of clinical care and the quality of the Centre.
- Ensure clinical skills are maintained and that the clinical skills of all clinical and non-clinical staffs in the Centre are up to date. Participate in the delivery of clinical care when required to maintain own competence and credibility
- Implement robust systems to evidence and monitor the clinical contribution to national and local standards of care to lead on the following in the Centre:
 - Performance review process
 - Clinical quality audits
 - Regular establishment and activity reviews of the centre , advise on staffing levels
