Person Specification:
Client Care Coordinator

Introduction

Here at MSI Reproductive Choices UK we are proud to be a social enterprise that is changing the world for the better, MSI Reproductive Choices UK is best known for its abortion services which help up to 70,000 clients a year globally.

Our UK network of welcoming clinics and local community services, together with a 24-hour confidential helpline work to provide high quality, safe, accessible, and compassionate advice, care and support for the people who need our services. 95% of our services are commissioned by the NHS. The remaining 5% are self-funding or supported by use of charitable funds.

We're proud to be champions for reproductive choice and we are looking for people to join our committed teams of both clinical and non-clinical colleagues. We want individuals who believe in our mission and who can clearly describe how and why they feel that what MSI Reproductive Choices UK does is important.

To achieve this, every candidate is given the opportunity to provide their thoughts and opinions on our mission statement in the online application form. We only consider applications from candidates who are aligned with MSI Reproductive Choices UK mission and vision. For this reason, only fully pro-choice candidates will be considered for any role within MSI.

Please note this role will be subject to full pre-employment background checks which may include, but is not limited to employment references, right to work verification, adverse financial checks, basic criminal record checks and risk database screening checks.

Key Skills

To perform this role, it is essential that you have the following skills:

- A high attention to detail with excellent organisational skills
- Excellent listening, communication and telephone skills

Key Experience

To perform this role, it is essential that you have the following experience:

- Experience of working within a contact centre role either inbound or outbound
- Confident in the use of various computer systems

If you'd like to provide feedback on MSI Reproductive Choices recruitment process, please do so via email to Resourcinguk@MSIChoices.org

Person Specification:
Client Care Coordinator

Personal Attributes

MSI Reproductive Choices is dedicated to equal opportunity for all and recognises that every individual is unique. Whilst we always seek to embrace individual differences and celebrate the diversity of our workforce, we also want to ensure that every team member is suited to their role and that they are given the best opportunity to succeed.

The personal attributes described below have been developed in accordance with the job description and other contextual factors relating to the role and are considered **essential**.

For this role, we're looking for an individual who is:

- Committed to the protection of team members and clients, with a focus on vulnerable groups.
- Able to role-model inclusive and culturally sensitive attitudes and behaviours.
