About MSI Reproductive Choices	
<p>Only when choice is a reality for each of us, can we create a better, more equal world for everyone. Here at MSI Reproductive Choices UK (MSI UK) we are proud to be a social enterprise that is changing the world for the better, we reinvest and donate our profits towards creating a positive social change across 37 countries globally.</p> <p>As one of the world's leading providers of sexual and reproductive healthcare our aim is simple: to empower clients to make the reproductive choices that are right for them. That is what we mean by client-centred care.</p> <p>At MSI Reproductive Choices UK our client-centred care philosophy means respecting our clients as active partners in their own service, caring about who our clients are, their experiences, and how they feel before, during and after they access care with us.</p> <p>MSI Reproductive Choices is committed to safeguarding: promoting the welfare and safety of everyone involved in the delivery or receipt of sexual and reproductive health services, especially children, young people and vulnerable adults. We are committed to ensuring diversity, and equality for all within our organisation and encourage applicants from diverse backgrounds to apply. We expect all staff and post holders to share our values and commitments.</p>

Job Description: Operations Service Manager

Clients through the use of data to inform decision making, close management of resources (people, consumables, equipment, property) and maintaining a work and client facing environment that is professional and fit for purpose at all times.

Close and effective working relationships with the Clinical Services Matron and Regional General Manager will be essential in being successful in this role. The role is required to provide continuous improvement and implement effective change, with support from the Senior Management Team, in order to deliver the objectives within their Treatment Centre.

All Operations Service Managers will be required to work cohesively with each other and other departments and support each other in order to deliver the overall organisational objectives, ensuring we consistently deliver a safe and sustainable service.

Key responsibilities

1) Management

- a) Line manage the Treatment Centre Operations team, including:
 - i. Setting of practical objectives and regular performance updates.
 - ii. Proactive management of the employee lifecycle i.e. recruitment, induction, absence management, family friendly leave, employee relations, performance management, development plans and leavers.
- b) Facilitate clear and regular communication to all Treatment Centre team members to ensure they are aware of and recognise:
 - i. Organisational priorities and focuses.
 - ii. Progress and performance.
 - iii. Individual and team successes along with organisational achievements.
- c) Actively participate in Treatment Centre performance and assurance review meetings.

2) Leadership

- a) Contribute to the formulation of a clear plan for the Treatment Centre team, which includes:
 - i. Short, Medium & Long-Term goals and aspirations.
 - ii. Developing a live Service & Safety improvement plan for each treatment centre.
 - iii. Defining a clear service development plan for each Treatment Centre, with clear outcomes and risks mitigated.
- b) Role model the behaviours of continuous improvement within the Treatment Centre.
 - i. Effectively use the correct data to inform decisions.
 - ii. Be responsive to changes or fluctuations in client, safety or financial demands.
 - iii. Devise and influence solutions to barriers that impact on the ability to drive advancements in patient and colleague experience.
- c) Build a reputation of being a visible and engaging member of the Treatment Centre Management team and Service Manager population.
 - i. Act as a key link in the communication between the Treatment Centre and Support Office colleagues ensuring key messages, trends and concerns are cascaded in both directions.
 - ii. Where possible engage colleagues in the decision-making process and where this is not possible ensure decisions and communications are provided with clear rationale and evidence.
 - iii. Actively participate in meetings, provide the opportunity for the organisation to learn from our front-line service providers.
- d) Build relationships with internal Stakeholders to support the Treatment Centre teams to work collaboratively to achieve their objectives.
 - i. Act as a change advocate for all transformation projects
 - ii. Evaluate and feedback the impact [positively & negatively] of stakeholders and transformation

Job Description: Operations Service Manager

projects in supporting your teams to deliver their service.

3) Client Safety

- a) Support the Treatment Centre Management team to ensure regulatory requirements are met in each centre, including DOH, CQC, RSOP standards and take immediate action on any areas identified for improvement.
- b) Coordinating the implementation and maintenance of the Regional Risk Register and CMP audit programme, influencing colleagues to ensure deadlines, actions and quality of information is acceptable.
- c) Coordinate the staff scheduling process and collaborate with the Senior Clinical Services Matron / Clinical Services Matron to ensure there is never a compromise on the approach to our "Safer Staffing Policy", including having adequate and competent resource to always provide the service alongside a clear Clinical Leader.

4) Client Experience

- a) Collaborate and influence the Clinical Services Matron / Clinical Services Matron to ensure client pathways are reliable, consistent, and meet the needs of each individual patient.
- b) Influence the Treatment Centre team to seek client feedback and facilitate a responsive and caring approach and response.
- c) Ensure all client facing environments in your Treatment Centres look and feel professional, clean and welcoming.

5) Organisation Sustainability

- a) Develop and implement a clear People plan for your Operations Team, taking responsibility for:
 - i. Recruitment & Retention: develop an effective and responsive approach to our colleague recruitment and retention.
 - ii. Identify aspirational colleagues and facilitate their development.
 - iii. Identify and develop a clear successor to your role
 - iv. Deliver the best possible Colleague experience & satisfaction, with particular focus on:
 - Creating the best first and last impressions of our organisation with all potential and current colleagues.
 - Ensuring every colleague have the tools to do their job (eg IT, Equipment, Knowledge)
 - Cultivating a culture of celebrating success and actively managing under performance.
 - Ensuring every aspirational colleague is supported to reach their full potential.
 - Embedding a holistic approach to colleague well-being.
- b) Take the lead in efficiently servicing Client demand:
 - i. Lead the approach to optimise our capacity, with a responsive, proactive and productive methodology.
 - ii. Contribute to an effective service development plan to protect and grow our market share in your geographical region.
 - iii. Collaborate with internal stakeholders (eg Business Development) to implement all new business opportunities.
- c) Deliver effective surplus generation.
 - i. Have a clear understanding of the Treatment Centre budget plan and take an active role in mitigating any risks.
 - ii. Implement an approach where there is intelligent investment alongside a strict control of costs, with an active and relevant cost improvement plan.
 - iii. Build a colleague awareness so they are confident on the impact they can make (+ve & -ve) to contribute to surplus, engaging them so they are clear of the reasons why we need to generate a surplus and deliver a sustainable organisation.

Please note that you may also be required to carry out reasonable additional ad-hoc duties, at the request of your line manager.

Job Description: Operations Service Manager

Key Skills and Experience

To perform this role, it is essential that you have the following skills:

- Ability to role-model own behaviours by:
 - Working in a diverse and inclusive environment, respecting and collaborating with all individuals equally, and with a commitment to overcome bias and prejudice.
 - Effectively managing own time, priorities, and motivation.
 - Displaying a “can-do” approach and passion for the services and organisation.
- Ability to work with others through:
 - Effective interpersonal, negotiation and influencing skills.
 - A proactive approach to conflict management and resolutions.
 - Building effective cross-team/function relationships.
- Ability to inspire a motivated and productive team by:
 - Challenging and supporting colleagues to deliver results.
 - Leading a continuous improvement and change culture.
 - Fronting a positive Colleague experience.
- Ability to make sound business decisions through:
 - Correct analysis of data, leading to tangible and relevant improvement decisions
 - A proactive and visible approach to risk mitigation
 - A commitment to innovation and creative problem solving
- Ability to generate a Client-focused service by:
 - Embracing technology to deliver effective and efficient pathways
 - Converting patient feedback into pathway improvements
 - Inspiring colleagues to deliver an experience that meets patients’ needs at every interaction.
- Ability to effectively communicate key concepts, priorities, and challenges to all areas of the business through:
 - Timely clear messages tailored for the correct audience.
 - Listening and feedback

To perform this role, it is essential that you have the following experience:

- Led a dispersed team
- Track record of Patient/Client/Customer- centric leadership
- Track record of nurturing, developing, and realising colleague potential
- Track record of developing and delivering results and KPI’s

Formal Education/qualification

- Minimum: GCSE (A-C) [or equivalent] in Maths & English
- Desirable: Formal Management Qualification including a bachelors or masters degree in operational management

Personal Attributes

We recruit talented, dynamic people with diverse backgrounds and experiences, all united by a belief in our mission and a focus on delivering measurable results. We’re proud to be an equal opportunities employer and are committed to creating a fully inclusive workplace, where everyone feels able to participate and contribute meaningfully. You must be open-minded, curious, resilient, and solutions-oriented, and be committed to promoting equality, and safeguarding the welfare of team members and clients alike.
