About MSI Reproductive Choices

MSI Reproductive Choices is one of the world's leading providers of sexual and reproductive healthcare. We believe that everyone should have the right to choose. From contraception to safe abortion and life-saving post-abortion care, we are committed to delivering compassionate, affordable, high-quality services for all.

Today, our organisation has over 9,000 team members working in 37 countries across the world. Our success lies in the fact that MSI teams are locally led, entrepreneurial and results-driven, and are passionate about delivering high quality, client-centered care in their own communities. As a social business, we focus on sustainable delivery, efficiency, and funding models that are built to last, so that the women and girls we serve today will have a choice in the future too.

We know that access to reproductive choice is life changing. For some, it can mean the ability to complete an education or start a career. For others, it means being able to look after the family they already have. For everyone, it means the freedom to decide their own future, creating a fairer, more equal world.

The department/team

Since 1985, Marie Stopes Kenya (MSK) has increased access to high quality affordable sexual and reproductive health (SRH) services for all people across Kenya to support its vision of a world in which every birth is wanted and a mission of children by choice, not chance.

As one of the leading specialised SRH providers in Kenya, MSK works with the Government of Kenya and other stakeholders to ensure all women have access to SRH information and services including the poorest and hardest to reach can access affordable SRH services that meet their needs. MSK implements a service delivery approach that is free from stigma, judgement, and discrimination, regardless of age, location, background, marital, or economic status. MSK provides all modern methods of contraception and comprehensive post-abortion care (CPAC), ante- and post-natal care, sexual health

Job Description:

Country Director, Kenya

counselling, gynaecological check-ups, cervical cancer screening and treatment, and testing and treatment of HIV and other sexually transmitted infections. Through 250+ permanent staff, MSK currently delivers services in 43 counties with all management and coordination of activities centralised in the country support office in Nairobi.

MSK's service delivery channels are adapted to fit the different contexts of each county to maximise opportunities for building sustainable platforms that can provide lasting impact on the health outcomes of Kenyans. In 2021, over 860,000 clients were reached through MSK's service delivery points spread across the country, and 1,500,000 people were using a family planning (FP) method provided by MSI in 2021.

The role

The Country Director, Kenya is responsible for delivering results for women and their families, driving programmatic excellence, and implementing best practice at scale in Kenya. They provide high quality services where they are needed the most, and their work directly contributes to preventing maternal deaths and making a sustainable impact on the lives of thousands of people every year. The CD is also responsible for ensuring Kenya's social business model has a strong footing on both the social and business side.

The Country Director, Kenya is a key leadership position of a large and complex programme in one of MSI's largest programmes. The CD represents the organisation in Kenya and is responsible for the overall strategy, management (programmatic, financial, and administrative), and development of Kenya's national family planning and SRH programmes. They lead skilled, professional country teams to deliver life-saving services through clinical centres, mobile outreach teams, social franchising, and social marketing.

In addition, they are responsible for preparing and executing annual budgets, marketing plans and work plans; developing new business opportunities; overseeing financial, administrative and logistical resources; ensuring adherence to MSI minimum standards; and assuring quality operations in line with annual and long-term strategic goals and objectives. The Country Director manages for results, valuing and rewarding high performance, accountability, speed and efficiency and innovation, while keeping the client at the heart of everything we do.

The Country Director is Kenya's senior representative in the country of assignment. Reporting to Africa Regional Office of MSI, MSK is an implementing partner of the MoH, with whom MSK works closely across all its projects and service delivery channels partnering at national, provincial, district and facility level. They work closely with government to overcome barriers that prevent women and men from accessing safe, affordable, reliable family planning and other sexual and reproductive health services.

Key Responsibilities

Leadership

- Provide inspiring leadership to create a shared vision across the team linking work of teams internally and internationally as one MSI
- Demonstrate the values and aspirations of Marie Stopes in behaviour and ambition, driving integrity and commitment in others
- Effectively lead and line manage the Senior Leadership Team (SLT) in Kenya,

Job Description:

Country Director, Kenya

developing both individual and team capacity, providing clear strategic direction to managers and team members and enabling them to act and develop their talents

- Work collaboratively with the Africa Regional Support Team (RST), enabling capacity building and sharing best practice within the region
- Drive innovation and effectiveness through the cost-efficient management of the short, medium- and long-term plans; simplifying the complexity for themselves and others
- Instil a positive MSI management culture and social business approach across the Kenya team, constantly seeking feedback and continual improvement
- Ensure legal compliance of Kenya locally and in relation to MSI's obligations, representing Kenya's work to the Board and management of MSI and stakeholders in Kenya
- Serve as a secretary for Kenya Board of Trustees quarterly meetings and extraordinary sessions as required.

Business Planning

- Ensure that the programme is equipped to work towards the goals set out in new MSI's strategy 2020 – 2030.
- Ensure the programme delivers and surpasses the goals set forth in country programme annual business plans
- Lead country programme subsequent strategic and annual business planning processes
- Plan and implement strategies for delivering sustainable growth
- Position Kenya as a sector leader contributing to national strategy and goals
- Deliver a comprehensive country marketing strategy and plan to build the brand of choice by using robust audience data, competitor analysis and other market data
- Deliver a robust business model ensuring the on-going growth of healthy income streams including innovative financing, earned income and more traditional grant resources

Strategy & Development

- Build and maintain strong partnerships with the country programme Board, government, health professionals, businesses, peer agencies and the health community at large
- Foster relationships with traditional and non-traditional donor representatives, including domestic financing stakeholders.
- Ensure the development of strong new business proposals in collaboration with the London based Programme Design and Development (PDD) team, donor teams and the Regional Support Team
- Deliver an organisational structure that supports increasing efficiency of operations regardless of their funding modalities.

Quality Operations

- Ensure the embedding of global tools such as MSI Channel, Youth & Adolescent Success Models to improve productivity and increase effectiveness of delivery channels
- Promote evidence-based decision making and support operational research to better understand our clients and barriers to access
- Ensure robust systems and processes are in place, such as strong compliance with MSI's service data validation principles and minimum standards, to support operations, drive productivity and deliver results
- Ensure clinical quality of care is always maintained; supports quality assurance processes and lead Medical Advisory Team (MAT) meetings for continuous clinical quality
