About MSI Reproductive Choices	
<p>Only when choice is a reality for each of us, can we create a better, more equal world for everyone. Here at MSI Reproductive Choices UK (MSI UK) we are proud to be a social enterprise that is changing the world for the better, we reinvest and donate our profits towards creating a positive social change across 37 countries globally.</p> <p>As one of the world's leading providers of sexual and reproductive healthcare our aim is simple: to empower clients to make the reproductive choices that are right for them. That is what we mean by client-centred care.</p> <p>At MSI Reproductive Choices UK our client-centred care philosophy means respecting our clients as active partners in their own service, caring about who our clients are, their experiences, and how they feel before, during and after they access care with us.</p> <p>MSI Reproductive Choices is committed to safeguarding: promoting the welfare and safety of everyone involved in the delivery or receipt of sexual and reproductive health services, especially children, young people and vulnerable adults. We are committed to ensuring diversity, and equality for all within our organisation and encourage applicants from diverse backgrounds to apply. We expect all staff and post holders to share our values and commitments.</p>

Job Description: Vasectomy Nurse

The department / team

We are looking for a passionate and committed Registered Nurse/Midwife to join our team within our Central London clinic.

Supporting within our Nurse led environment, we have well-established protocols and support systems that reinforce a values-driven organisational culture, with a focus on care and leaving no one behind.

The role

To provide safe, effective and holistic clinical services for clients undergoing Vasectomy and associated care. Travel across multiple sites and engagement with the Vasectomy team nationally is essential to the post.

Key responsibilities

Consultation

- Admission of clients
- Undertaking vasectomy consultations when required, including providing information on procedure, contraception and aftercare
- Maintain professional curiosity and awareness of potential needs/concerns throughout consultation and client journey, for example Safeguarding, and refer onwards where necessary
- Refer to and maintain awareness of MSI Vasectomy Pre-Existing Condition Guidelines and refer onwards where necessary
- Completion of electronic records and/or paper records
- Maintenance of client confidentiality and Data protection

Admission to Discharge

- Provide a welcoming and calming environment for clients throughout their client journey
- Checking details on client notes and alerting Surgeon to any 'significant conditions'
- Providing holistic, person-centred care and support throughout entire patient journey
- Ensure the treatment room is sufficiently prepared and presentable in readiness for the client's arrival
- Utilise distraction techniques to support the patient experience
- Assisting the Surgeon as required during the procedure
- Take a lead on maintenance of timely client flow, in liaison with the Surgeon and Administration Team
- Maintain client safety
- Thorough and accurate completion of client records, including any adverse or unexpected events
- Maintain the Duty of Candour principle throughout the client's journey
- Document and report any incidents that occur in a timely manner, in line with MSI policy
- Preparation and cleaning of all clinical areas pre and post treatment, maintaining IPC standards at all times
- Disposal of clinical/hazardous waste
- Maintenance of Health and Safety standards and COSHH Regulations

All MSI Reproductive Choices job descriptions are subject to a language neutrality test prior to approval and we're always looking for new ways to make our recruitment process as fair and unbiased as we can.
