About MSI Reproductive Choices	
<p>Only when choice is a reality for each of us, can we create a better, more equal world for everyone. Here at MSI Reproductive Choices UK (MSI UK) we are proud to be a social enterprise that is changing the world for the better, we reinvest and donate our profits towards creating a positive social change across 37 countries globally.</p> <p>As one of the world's leading providers of sexual and reproductive healthcare our aim is simple: to empower clients to make the reproductive choices that are right for them. That is what we mean by client-centred care.</p> <p>At MSI Reproductive Choices UK our client-centred care philosophy means respecting our clients as active partners in their own service, caring about who our clients are, their experiences, and how they feel before, during and after they access care with us.</p> <p>MSI Reproductive Choices is committed to safeguarding: promoting the welfare and safety of everyone involved in the delivery or receipt of sexual and reproductive health services, especially children, young people and vulnerable adults. We are committed to ensuring diversity, and equality for all within our organisation and encourage applicants from diverse backgrounds to apply. We expect all staff and post holders to share our values and commitments.</p>

Job Description: Health Care Assistant

The department / team

We are looking for a passionate and committed Healthcare Assistant to join our team within our West London clinic.

Supporting within our Nurse led environment, we have well-established protocols and support systems that reinforce a values-driven organisational culture, with a focus on care and leaving no one behind.

The role

Reporting to the Clinical Team Leader, the main purpose of this role is to provide appropriate and effective care, as determined by the client, with the allocation of an accountable Registered Nurse / Midwife on every shift who will be responsible for documentation. MSI philosophy of minimal intervention.

Key responsibilities

Consultation

- Blood sampling
- Height and Weight
- TEWS observation
- Pregnancy testing
- Ultrasound analysis
- Chaperoning clients

Ward

- Provide support to clients undergoing the procedure without a general anaesthetic alongside a Registered Nurse / Midwife
- Monitoring observations according to the TEWS policy
- Escorting clients to theatre

Theatre

- Assisting with recovery of client and transport back to ward
- Disposal of foetal tissue
- Assisting anaesthetist and surgeon where necessary
- Supporting privacy and dignity in the theatre
- Sterilisation and preparation of instruments and soft packs for each procedure and cleaning and re-sterilising instruments following each procedure
- Preparation and cleaning of theatre, sluice and recovery prior to, and after, each operating list

Equipment and Environment

- Assisting in the daily checking and maintenance of routine, emergency and environmental equipment ensuring that all checks are carried out to a satisfactory standard and recorded
- Assisting in the checking of stock levels and participating in the ordering of stores as directed by the Clinical Supervisor Training
